BIG PICTURE

Join us for AIM in July 2025 for a transformational experience in the streets of Napoli, Italy. This trip will focus on sharing the Gospel through conversations and street performances on the town squares in and around this beautiful city. Participants will receive all the necessary training and ministry preparation as part of the trip through our host in Europe, Jesus Revolution.

Napoli is a city with a rich history, amazing food, and a blend of historic and modern culture. Step into Europe and bring the message of salvation to the streets. This is a great opportunity to take an overseas missions trip with very few language barriers; most people under the age of 30 in Europe speak english, so even the street ministry will be accessible in the english language. Your participation in AIM 2025 Italy will not only leave a huge impact on the people you will meet but also enrich your own life with the Lord in ways you never thought were possible. The valuable things participants learn will also help them love God and share the Gospel more effectively at home.

TRIP DETAILS

The trip consists of two main parts: Training Days & Outreach days. There will also be a free day for tourism.

TRAINING DAYS

The first four days of the trip will consist of orientation, spiritual preparation, and ministry training. The focus of training days is to equip participants to preach the gospel, have conversations about the Gospel, and to pray for healings and miracles. In addition, there is personal spiritual preparation. This includes powerful services, personal time with God, and a focus on the baptism and gifts of the Holy Spirit. Finally, students will be trained in practical ministry tools that will be used on the streets including flashmob and dance training, public speaking, sharing a testimony, having a conversation, and praying for healing.

OUTREACH DAYS

The highlight of the trip is the outreach days. There will be five days of outreach, placed in multiple locations throughout the area of Napoli. In each location, street events are planned that consist of flashmobs, dance teams, testimonies and preaching the Gospel. Each event lasts for 20-25 minutes and several events are held in the same location over approximately 3 hours. These outreach events take place in the evening, as that is when local populations come out into the town squares.

TEAM STRUCTURE

Participants are closely shepherded by trained leaders throughout the week. All participants are grouped into a team of 6-8 people whom they will meet with every day. In this way all the participants always have a leader available for them. During outreach days, several teams are put together to form a larger group at each location. This creates greater security for the participants and a unique family feeling as they go together for the mission.

Registration will open on November 1, 2024 at aim.ag.org. An initial deposit of \$1000/participant will be due at time of registration. Additional payments of \$1100 will be due March 7, 2025 and May 9, 2025. Full payment may be made at anytime.
